FTT FORM FINANCIAL TRANSACTION TAX

Informativa sul trattamento dei dati personali ai sensi dell'art. 13 del decreto legislativo n. 196 del 2003 Legislative Decree No. 196 of the June 30, 2003 "The code for the protection of personal data", provides for a system of protection for the processing carried out on personal data.

Purposes of processing

The Ministry of the Economy and Finance and the Revenue Agency wish to inform you, on their behalf and on behalf of other persons obliged to do so, that the form contains several items of personal data that will be processed by the Ministry of the Economy and Finance and the Revenue Agency, as well as by intermediaries identified by legislation (Tax Assistance Centres, banks, postal agencies, trade associations and professionals) for the purposes of payment, assessment and collection of taxes and that, to this end, certain data may be published pursuant to the combined provisions of article 69 of Presidential Decree no. 600 of 29 September 1973 as amended by Law no. 133 of 6 August 2008, and by article 66-bis of Presidential Decree no. 633 of 1972.

The data in the possession of the Ministry of the Economy and Finance and the Revenue Agency may be communicated to other public entities where legislation provides for this, or when such communication is necessary in order for them to carry out their institutional functions, subject to this being communicated to the Privacy Commissioner (Data Protection Commissioner) beforehand.

The same information may also be communicated to private or public economic entities where the legislation provides for this.

Personal data

The data requested in the form must be supplied to prevent the application of administrative and, in some instances, criminal sanctions. It is not compulsory to provide a telephone number, mobile phone number, fax number and email address. Providing these makes it possible to receive, free of charge, from the Revenue Agency, information and updates regarding final payment dates, news, obligations and services offered.

Method of processing

The form may be delivered to an intermediary provided for by legislation (Tax Assistance Centres [CAF], trade associations, professionals) who sends the data to the Ministry of the Economy and Finance and the Revenue Agency.

Any data provided is mainly processed electronically and using appropriate procedures for the purpose, including checks on the data contained in the form:

- with other data in the possession of the Ministry of the Economy and Finance and the Revenue Agency, also if provided, as required by law, by other subjects;
- with data in the possession of other entities

Data controllers

When the said data is made available to them and falls under their direct control, the Ministry of the Economy and Finance, the Revenue Agency and the intermediaries become "the data controllers for the processing of the personal data".

In particular the following persons are "data controllers":

- the Ministry of the Economy and Finance and the Revenue Agency, at whose offices a list of the "data processors" is kept and this list may be viewed on request;
- if they take advantage of the right to appoint "data processors", the intermediaries must supply details as to the identity of the data processors, to the person concerned.

Persons responsible for data processing

"Data controllers" may make use of the services of others designated "responsible".

In particular, the Revenue Agency makes use of the services of the company So.ge.i. S.p.a. as the external entity responsible for data processing, in its capacity as technological partner to which the management of the information system of the Tax Register is entrusted.

Taxpayer's rights

The person (taxpayer) concerned, in terms of article 7 of Legislative Decree No. 196/2003, may view his personal data at the premises of the data controller or the person responsible for data processing in order to verify the use to which it is being put or if necessary, to correct or update it within the limits provided for by law, or to cancel it or oppose its processing, where it is being processed illegally.

These rights may be exercised upon request to:

- Ministry of the Economy and Finance, Via XX Settembre 97 00187 Rome;
- Revenue Agency Via Cristoforo Colombo, 426 c/d 00145 Rome.

Consent

The Ministry of the Economy and Finance and the Revenue Agency, in their capacity as public entities, do not need to acquire the consent of the persons concerned in order to process their personal data. Intermediaries do not need to acquire consent for processing of personal data, as their conferment is required by law.

This information is given generally on behalf of all the data controllers referred to above.
